CEC Project No. 070-847

On behalf of Bunting Bearings, LLC (Bunting), Civil & Environmental Consultants, Inc. (CEC) respectfully requests an extension in time to respond to comments provided by the United States Environmental Protection Agency (U.S. EPA) in a letter on June 8, 2009, regarding U.S. EPA's review of a draft Removal Action Report (RAR) (dated February 2, 2009) for the former EaglePicher Incorporated facility located at 200 Van Buren Street in Delta, Ohio.

A time extension was discussed and verbally agreed by U.S. EPA in a conference call on June 18, 2009, between U.S. EPA, CEC, Shumaker, Loop & Kendrick, LLP, and Weston Solutions, Inc. Accordingly, CEC requests an extension until August 25, 2009 (i.e., 45 days) for submittal of a response to comments and a revised RAR.
